Junior Tennis Programming Fall 2017

CLINICS run for (14) weeks unless otherwise stated.

Starting Monday December 4, 2017 through Sunday March 18, 2018

*Sunday & Monday EXTRA OFF DATES 12/24, 12/25, 12/31, & 1/1

February Vacation week observed Monday 2/26/18-Sunday 3/4/18 is an off week for clinics.

Jr. Beginner: For players who are looking to get into tennis but need to set a good foundation for their game by learning the proper grips, ready position, & movement so they can develop their tennis strokes.

Jr. Intermediate: This is for players who have experience playing tennis or are very athletic and can pick up the game quickly. Players should have an understanding of how to hit all groundstrokes, have the basics down for volleying, serving, and overheads but need to continue to refine their game. JV high school players would fit here very well.

Jr. Advanced: This level is for the player who understands the game and can control all of their shots but would like to work on strategy, point building, & adding new weapons to their game.
